TRONDHEIM 13.04.2026

To whom it may concern,

This letter serves as an official confirmation that Autronica Fire and Security AS operates with a *Zero Waste to Landfill* policy. All waste generated from our operations is either recycled or recovered through certified waste management partners. None of our waste streams are sent to landfill.

Furthermore, we hereby confirm that Autronica guarantees **100% fossil-free electricity origin** for all consumed electrical energy. This guarantee is provided in accordance with the international **Greenhouse Gas Protocol (GHG Protocol) Scope 2** requirements through the use of certified renewable energy guarantees of origin.

These commitments are integral to our environmental management system and form part of our continuous efforts to reduce environmental impact and promote sustainable operations.

Should you require any additional information or documentation, please do not hesitate to contact us.

Best regards,

Autronica Fire and Security AS
